1 **III. CLASSIFICATION AND TREATMENT OF CLAIMS**

2 For purposes of the Plan, Claims against, and interests in, the Debtor, of whatever
3 nature, whether or not scheduled, liquidated or unliquidated, absolute or contingent, direct or
4 indirect, including all Claims arising from the rejection of executory contracts, and all Claims or
5 interests arising from the ownership of equity securities of Debtor, shall be bound by the
6 provisions of this Plan and are classified as follows:

7 **A. Class 1- Secured Claims**

8 1. Classification: Class 1 consists of the Allowed Secured Claims of the following
9 creditors:

10 I. Bay Area Financial in relation to the Residence 3rd Note secured by a deed of trust
11 against the Residence Parcel.

12 II. BMW Bank of North America in relation to the Vehicle Note secured by the 2002 BMW
13 vehicle.

14 III. Capital Region Equities, LLC (Ed or Dana Foss) in relation to the Agricultural 3rd Note
15 secured by a 3rd deed of trust against the Agricultural Parcel.

16 IV. Dana and Edward Foss in relation to Agricultural 2nd Note secured by a 2nd deed of trust
17 against the Agricultural Parcel.

18 V. Exchange Bank in relation to the Business 1st Note secured by a 1st deed of trust against
19 the Business Parcel.

20 VI. Lucia Napoli Cosmeli in relation to the Cosmeli Note which is secured by the Chile
21 Parcel.

22 VII. Morgan Stanley in relation to the Residence 1st Note secured by a 1st deed of trust against
23 the Residence Parcel.

24 VIII. Sterling Pacific in relation to the Business 2nd Note secured by a 2nd deed of trust against
25 the Business Parcel.

26 IX. U.S. Bank in relation to Residence 2nd Note secured by a 2nd deed of trust against the
27 Residence Parcel.

- 1 X. Victoria Schlechter in relation to Residence 4th Note secured by a 4th deed of trust
2 against the Residence Parcel.
- 3 XI. Washington Mutual in relation to Agricultural 1st Note secured by a 1st deed of trust
4 against the Agricultural Parcel.
- 5 Class I is split into six subclasses:
- 6 a. This subclass consists of the 3 Creditors secured by the Agricultural parcel. The
7 Agricultural Parcel is not a significant element of the plan.
- 8 b. This subclass consists of the Creditor secured by the Chile parcel. The Chile
9 parcel is not a significant element of the plan.
- 10 c. This subclass consists of the Creditor secured by the car. The car is not a
11 significant element of the plan.
- 12 d. This subclass consists of the Creditors secured by the personal residence of the
13 Debtors. The personal residence is not a significant element of the plan.
- 14 e. This subclass consists of the Exchange Bank which holds the first on the
15 Business parcel. The Business parcel is central to a successful plan.
- 16 f. This subclass consists of Sterling Pacific which holds the second on the Business
17 parcel. This loan was not for purchase money and if the security is lost, this creditor will
18 become an unsecured creditor. The Business parcel is central to a successful plan.

19 2. Impairment: Class 1 is impaired, as that term is defined in 11 U.S.C. § 1124, as the result
20 of this Plan

21 3. Treatment: All the Allowed Secured Claims in this Class shall be paid the full amount of
22 its Allowed Secured Claim. Payment shall be made under one of the following alternatives: Dana and
23 Edward Foss, Exchange Bank, Lucia Napoli Cosmeli, Morgan Stanley, Sterling Pacific, U.S. Bank,
24 Victoria Schlechter and Washington Mutual all hold Secured Claims. The timing of payment varies by
25 subclass.

26 The subclass a. creditors will be paid when the dispute between the two competing buyers is
27 resolved. An adversary complaint is pending before the bankruptcy court with a motion for removal to

1 the District Court. The Debtors are the sellers and the outcome will not materially effect the plan nor will
2 the plan course affect the competing buyers. The subclass b. creditor is being kept current so that Mrs.
3 Moller's aunt continues to have a home. The aunt has a life estate. Mrs. Moller's remainder interest has
4 no immediate value and the remainder interest is not integral to the plan. The subclass c creditor is being
5 kept current. The Debtors need reliable and ongoing transportation to participate and support the plan.
6 The choice of alternative or conversion will not effect this creditor. The subclass d. creditors are being
7 kept current. The Debtors need a home in which to live, moving or selling would create a distraction
8 which would likely adversely affect the Debtors effort in support of the plan.

9 The subclass e. creditor holds the first on the Business parcel and is the creditor with the largest
10 stake but is well secured in terms of debt to fair market value. The fair market value should be rising and
11 if the plan succeeds, the arrearages on the loan will be caught up and the parcel will have a viable tenant.
12 Alternatively, Exchange Bank might end up the owner of the parcel and sharing the common experience
13 of banks and lose money on the resale of the parcel.

14 The subclass f. creditor Sterling Pacific holds the second on the Business Parcel. Sterling
15 Pacific could lose the security for its loan (although the loan survives and becomes an unsecured claim)
16 while at the same time is the creditor most likely to have a 100% or 200% or more return on its debt, if
17 Sterling Pacific forecloses and takes possession. If the first position on the Business Parcel, Exchange
18 Bank forecloses as a result of a relief of stay or the stay terminates otherwise, Sterling Pacific may choose
19 not to bid and become an unsecured creditor. On the other hand, if the Sterling Pacific becomes the
20 owner as a result of a foreclosure of its own or of a foreclosure by Exchange Bank, the property can be
21 held for a short time and marketed under less pressure and given the existing equity and improving
22 conditions, this creditor could double or triple their loan amount. This creditor' loan is less then 20% of
23 the value of the property. If the property increases 20% in value (recovering 50% of the pre-recession
24 valuation, this property is down more than 40 % of its one time value), Sterling Pacific doubles its money.

25 Payments shall be made under one of the following three alternatives:

1 Under the alternatives, the Residence Parcel, the Chile Parcel and the Agricultural Parcel are
2 dealt with in the same matter. The Residence Parcel and Chile Parcel will be retained. Chile Parcel is
3 subject to a life estate of uncertain length and thus making uncertain the value if any of disposing of this
4 asset.

5 The Agricultural Parcel will be confirmed as sold to either the Houses or Fosses as
6 determined pursuant to the pending Adversary Complaint when resolved which should determine the
7 terms of sale and timing of sale. The Houses contend the Houses had a lease in good standing containing
8 a right of first refusal as to any sale by the Debtors. The Debtors contend the lease was not in good
9 standing and even if Houses had a right of first refusal, the Houses did not exercise and perform in a
10 reasonable manner to perfect a purchase. The Fosses contend that the Fosses have an enforceable
11 contract to purchase the Agricultural Parcel.

12 The resolution of the issues surrounding the Agricultural Parcel will not significantly impact
13 the overall success or failure of the Plan.

14 Retention of the Residence Parcel and Chile Parcel will not significantly impact the overall
15 success or failure of the Plan.

16 Alternative One- Licensing of Technology by Freedom Motors, Inc. and Moller
17 International, Inc.

18 Debtor is the controlling shareholder and executive officer of Freedom Motors and of Moller
19 International. Over the last 30 years these entities have spent millions of dollars developing technologies
20 of increasing value as the planet's dependency on the reciprocating engine must be reduced by increasing
21 efficiencies and use of new engines. As described in section III herein, FM and MI are on the verge of
22 participating in a major way in the propulsion revolution. Any meaningful participation, will result in
23 funds flowing through to the Debtors by lease of the Business Parcel, employee compensation and
24 dividends to bring all secured creditors current and pay the other creditors in full. The largest Creditors of
25 FM and of MI are the Debtors. There is no conflict of interest between FM, MI and Debtors with regard
26 to maximizing the revenue to be generated by licensing the technology. The Plan will give the Debtors

1 and in turn FM and MI the breathing space needed to prevent the licensees from taking advantage of the
2 financial pressure on the Debtors.

3 Alternative Two - Sale With Lease Back of Business Parcel

4 Debtors shall sell the Business Parcel, preferably with a lease-back keeping the property and
5 its unique attributes available to FM and MI for a reasonable period of time, in its entirety, with the
6 creditors holding Secured Claims liens' attached to the proceeds of such sale. Unless the creditors holding
7 Secured Claims in this parcel consent to such sale, the net proceeds of such sale must be in excess of the
8 creditors Allowed Secured Claims in the parcel. If there is any concern that the net proceeds of such sale
9 are greater than the creditors Allowed Secured Claims in the parcel, the Debtors will seek an order from
10 the Bankruptcy Court approving such sale.

11 The Debtor will again enter into a Listing Contract on January 4, 2010 with Jim Gray and
12 will seek a Bankruptcy Court order allowing the employment of Jim Gray for the purposes of marketing,
13 listing, and otherwise brokering the sale of the Subject Property. The initial list price for the Subject
14 Property will be at least \$5,000,000.00. The Debtors marketed the property prior to the bankruptcy filing
15 using Jim Gray. The efforts were not successful. The market for selling the property to the University of
16 California or otherwise is believed to be improving. The delay in marketing until the first of year is
17 believed appropriate as improvements in the market are expected and additionally, this is not a preferred
18 alternative.

19 Alternative Three- Sell of Shares in FM and MI

20 Simultaneously with the Debtors efforts to sell the Business Property, the Debtors will
21 actively pursuing after January 4, 2010 selling significant shares owned by the Debtors in Freedom
22 Motors, Inc. and Moller International, Inc. if a reasonable valuation for the shares can be obtained.

23 Commencement of Monthly Payment Amounts

24 As part of any of the above alternatives, Debtor will commence monthly payments beginning
25 on May 1, 2010. The monthly payments to all creditors holding Allowed Secured Claims shall be
26 calculated as follows.

1 First, beginning on the Petition Date and ending on September 1, 2010, the Allowed Secured
2 Claims will accrue interest at the Prime Rate plus 1% ("Floating Rate"). Similarly, on each June 1st
3 anniversary thereafter, the Floating Rate will be adjusted to the Prime Rate plus 1%.

4 Second, the Bank Calculation Claim shall be equal to the amount owed under all the secured
5 claims excluding any (i) accrued and unpaid interest due to a default rate of interest since the inception of
6 the loan and (ii) default fees since the inception of the loan.

7 Third, the dollar amount of the monthly payments to begin on May 1, 2010, and to be
8 continued on the first day of each subsequent month thereafter, shall be calculated as follows:

$$\frac{(\text{Bank Calculation Claim}) \times (\text{Floating Rate})}{12} = \text{Monthly Payment Amount}$$

9
10 **B. Class 2- Tax Claims**

11 1. Classification: Class 2 consists of all Allowed Tax Claims entitled to priority pursuant to
12 Bankruptcy Code § 507(a)(8). The Debtors believe that the only Claims are those of the following
13 agencies: Internal Revenue Service and State of California EDD. The Debtors note that that the State of
14 California EDD seeks payment as a secured creditor by virtue of a lien for taxes pursuant to 11 U.S.C. §
15 507(a)(4).

16 2. Impairment: Class 2 claims are treated in accordance with Section 1129(a)(9)(C) of the
17 Bankruptcy Code and are, accordingly, not impaired for purposes of determining voting rights.

18 3. Treatment: The Debtors believe that there are two (2) Tax Claims and they are from the
19 following agencies: Department of the Treasury, Internal Revenue Service (Ogden UT) whose claim is in
20 the amount of \$372,173.00 and State of CA- EDD whose claim is in the amount of \$11,789.00; both
21 related to payroll taxes owed by Moller International, one of the Debtor's companies. Taxing authorities
22 holding a Tax Claim, to the extent such Claim is an Allowed Claim, shall receive, on account of such
23 Claim, a lump sum payment in full of its Allowed Tax Claim when the sale of the Business Parcel closes.

24 In the event that the Business Parcel does not sell, each holder of a Tax Claim shall receive
25 deferred cash payments on account of such Claim over a period of years, of an aggregate value, as of the
26 Effective Date, equal to the Allowed Amount of such Claim. The period of payment shall commence one
27 year after the Effective Date and continue until a date that is the earlier of (i) the fifth (5th) anniversary of

1 the Effective Date, or (ii) the fifth anniversary of the assessment of the Claim. The deferred cash
2 payments shall be equal to quarterly installments of principal and interest at the Tax Claim Rate, with the
3 first such payment being payable within one year of the Effective Date. Interest on the tax claims will be
4 paid at the rate being paid on 5-year treasury bills at the date of confirmation, plus 2%.

5 There are real estate taxes due on the business property. These will be paid under any
6 scenario mentioned herein. Such taxes are a lien on the real property. The lien is not significant as
7 compared to the fair market value of parcel and their priority assures their payment. Even without a
8 Bankruptcy a parcel owner can let such taxes lapse for years without fear of a tax sale.

9 **C. Class 3- Administrative Claims**

10 1. Classification: Class 3 consists of all claims for the cost of administration of the Debtors'
11 bankruptcy Estate. Included in this class are all claims for administrative expenses entitled to priority

13 Debtors, and all actual and necessary expenses of operating the Debtors business pursuant to Bankruptcy
14 Code § 503(b).

19 Claims, or as otherwise ordered by the Bankruptcy Court, unless a different treatment is agreed to with
20 the claim holder. Allowed Administrative Claims will be paid from assets of the Estate or the proceeds
21 therefrom. Professionals and entities who may be entitled to allowance of fees and expenses from the
22 Estate pursuant to Section 503(b)(2) through (6) of the Bankruptcy Code will receive cash in the amount
23 awarded to such professionals or entities in accordance with, and at such times as may be provided in,

5 result of this Plan.

6 3. Treatment: The Debtors do not believe there are any General Priority Claims. Pursuant
7 to Section 1129(a)(9)(A) Class 4 Allowed Claims will be paid in cash, in full on the later of the Effective
8 Date or the date upon which such claims become Allowed Claims, or as otherwise ordered by the

2 until such arrangement is altered or amended pursuant to an order of the Bankruptcy Court. To the extent
3 that there exists any monies possessed by Debtors after the sale of Business Parcel has closed and
4 creditors with Allowed Claims in Classes 1 through 5 have been paid in full, the Debtors in Class 6 shall

6 **IV. ACCEPTANCE OR REJECTION OF THE PLAN**

7 Impaired Claims Entitled to Vote. Each Impaired Claim is entitled to vote to accept or reject

12 (1/2) in number of the Allowed Claims of such Class that have timely and properly voted to accept or
13 reject the Plan.

14 Summary of Classes Voting on the Plan. As a result of the provisions of Section III of this
15 Plan, the votes or holders of Claims in all Classes will be solicited with respect to this Plan.

16 Confirmation Pursuant to Code § 1129(b). To the extent that any Impaired Class rejects the
17 Plan or is deemed to have rejected the Plan, the Debtors will request confirmation of the Plan, as it may
18 be modified from time to time, under Bankruptcy Code § 1129(b). The Debtors reserve the right to alter,
19 amend, modify, revoke or withdraw the Plan or any Plan Exhibit or Schedule, including to amend or
20 modify it in accordance with Section XI hereof to satisfy the requirements of Bankruptcy Code § 1129(b),
21 if necessary.

22 **V. MEANS FOR IMPLEMENTATION OF THE PLAN**

23 The Debtors are actively involved in the marketing by Freedom Motors, Inc. and Moller
24 International, Inc. to license their technology. Paul Moller has been in research and development
25 relating to piloted road able aircraft and low emission fuel efficient engines for many years. As
26 with space travel, much new technology has been discovered by Mr. Moller's efforts and the
27 technology has utility in a number of related fields. To finance this technology development,

1 Paul has gone deeply in debt but is on the verge of entering agreements that should solve all the
2 financial issues for years to come. The technology is owned by two corporations in which Paul
3 Moller is the principal shareholders and chief operating officer. These corporations are Freedom
4 Motors, Inc. ("FM") and Moller International, Inc. ("MI"). There are presently a number of
5 bidders for parts of the technology. What is needed is a bit more time for the economy to
6 stabilize and for the bidders to recognize there is a limit to the pressure on Paul.

7 Information about the bidders includes (1) Rotary Echoes, LLC ("RE") Meridian, ID,
8 Al King, Chairman. RE is interested in producing and distributing our Rotapower engine. RE
9 claims to have the funding in place to acquire the rotary engine assets of Freedom Motors. At
10 this time we are putting together a final agreement and seem to have resolved most issues. With
11 a final binding MOU, RE is required to make an advance payment of \$2.5 million. FM expects
12 to determine within the next 30 days whether RE can perform under the emerging MOU.

13 (2) Future Engine Systems ("FES"), Sebring, FL, Dr. Shawn Okun, President. FES is
14 interested in producing and distributing our Rotapower engine. FES has advanced \$475,000
15 (unsecured) as a measure of their interest. Once they have production funding secured (\$30
16 million) they will provide a \$2.5 million initial payment on a \$7.5 million license fee. Freedom
17 Motors is working with Heritage Corporate Services, Inc (our investor relations firm) to secure
18 the funding FES needs. Both FES and Heritage are optimistic that funding will occur shortly.
19 Heritage only recently joined the on-going fund raising effort by FES. FES has raised part of the
20 total funding required, but must have the full amount committed before they can release
21 additional funds to Freedom Motors.

22 (3) Defense Advanced Research Projects Agency (DARPA), Washington, D.C.,
23 Dr. Stephen Waller, Program Manager. Dr. Waller is championing a program within DARPA
24 that would provide sufficient funds to Moller International to prepare for and deliver a
25 demonstration of its Skycar volantor in operation. The gated \$5 million program has earmarked
26 \$2.5 million for the initial military demonstration with an additional \$2.5 million available for
27 follow-up engineering the required effort to accomplish a successful tether-free flight. To help in

3 Alternatively, in January of 2010, the Business Parcel will again be marketed. The
4 Business Parcel was recently on the market and priced at \$5,000,000.00. The value was arrived at in
5 consultation with a Commercial Realtor Jim Gray who has worked in the Davis Commercial Realty for
6 over 25 years. The Business Parcel is encumbered by Business 1st Note held by Exchange Bank and by
7 Business 2nd Note held by Sterling Pacific

8 The Bankruptcy Tax Act generally provides that the Debtors do not have to recognize income
9 from the discharge of indebtedness. The Debtors do not believe the Plan will cause any adverse tax
10 consequences.

11 The Debtors will in January of 2010 enter into a Listing contract with Jim Gray and will seek a
12 Bankruptcy Court Order allowing the employment of Jim Gray for the purposes of marketing, listing, and
13 otherwise brokering the sale of the Business Parcel. The initial listing price is uncertain but will likely be
14 in the range of \$5 million to \$6 million.

15 **VI. EFFECT OF CONFIRMATION**

16 **A. Discharge of Claims**

17 Except as otherwise provided in this Plan or the Court's order confirming the Plan, the
18 Confirmation Order acts as a discharge, effective as of the Effective Date, of any and all debts,
19 obligations, liabilities and claims, whether contingent or otherwise, of the Debtors that arose at any time
20 before the Effective Date, including, but not limited to, all interests in the Debtors, and all principal and
21 any and all interest accrued thereon, pursuant to Bankruptcy Code § 1141(d)(1). The discharge of the
22 Debtors shall be effective as to each Claim, regardless of whether a proof of claim thereof was filed,
23 whether or not the Claim is an Allowed Claim, or whether the holder thereof votes to accept the Plan.

24 **B. Vesting of Assets**

25 Except as otherwise provided in this Plan or the Confirmation Order, entry of the Confirmation
26 Order shall vest in the Reorganized Debtors, as of the Effective Date, all assets of the estate and as
27 acquired pursuant to this Plan, free and clear of all liens, claims and encumbrances.

1 **VII. RETENTION AND ENFORCEMENT OF CLAIMS**

(c) Determined. A Claim shall be considered Determined if at least one of the following applies to such Claim:

(i) *No Objection.* The Claim is Timely Submitted and Allowable, and the amount thereof is not subject to a Timely Objection; or

The primary responsibility for objection to claims shall be with the Reorganized Debtors.

C. Settlement of Claims

In the event of a written objection to the settlement, the settlement must be approved by the Bankruptcy Court on notice to the objecting party.

D. Distributions on Account of Disputed Claims

No distributions shall be made on account of a Disallowed Claim or Estimated Claim.

1 **E. Effect of Disallowed Claims on Distributions**

2 The Reorganized Debtors shall retain funds pro rated on account of Estimated Claims
3 until such claim becomes Allowed or Disallowed. Any funds held by the Reorganized Debtors in
4 accordance with this section shall be disbursed by the Reorganized Debtors upon entry of a Final Order
5 resolving such Claim, and, if the particular Claim is Disallowed or Allowed in an amount less than the
6 amount Claimed, the Reorganized Debtors shall recalculate the amount distributable to the holders of
7 Allowed Claims.

8 **F. Penalties and Fines**

9 Except as specifically provided by Final Order of the Bankruptcy Court, no distribution
10 shall be made on account of, any fine, penalty, exemplary or punitive damages, late charges or other
11 monetary charge relating to or arising from any default or breach by Debtors, and any claim on account
12 thereof shall be treated hereunder as such and disallowed to the extent of such fine, penalty, exemplary or
13 punitive damages, late charges or other default-related charge, whether or not an objection is filed to it.

14 **IX. MANAGEMENT OF THE REORGANIZED DEBTORS**

15 The Members of the Debtors shall continue to possess all of the rights conferred upon members of

22 the Debtors, and the Debtors Estate, including, without limitation, any claims arising under section 544 *et*
23 *seq.* of the Bankruptcy Code. The Members shall have the authority to direct the pursuit or settlement of
24 any such claims.

25 **XI. CERTAIN DETERMINATIONS AT CONFIRMATION**

1 At the Confirmation Hearing, Debtor will request the Court to make the findings necessary to
2 confirm the Plan and shall also request the Court to determine other matters provided for herein, including
3 such other matters as may be necessary or desirable in connection with the proceedings.

4 **XII. NOTICES**

14 propose amendments to, or modifications of, this Plan at any time prior to entry of the Confirmation
15 Order, with leave of the Bankruptcy Court, upon such notice as may be prescribed by the Court. After
16 entry of the Confirmation Order, Debtors may, with the approval of the Court, and so long as it does not

19 executed in accordance therewith, in such manner as may be necessary to carry out the purposes and
20 intent of this Plan.

9 purposes:

11 Claim of any creditor (including Administrative Claims) and the reexamination of Allowed Claims for
12 purposes of determining acceptances at the time of Confirmation, and the determination of such

15 to or reexamine any Claim in whole or in part.

16 **Estate Assets.** The determination of all questions and disputes regarding title to the assets of the
17 Estate, and determination of all causes of action, controversies, disputes, or conflicts, known or unknown,
